

why linux?

why guerrilla tech p3 - upside down.

this is page 1, the why linux cover. it is face-up.

another fine propaganda
piece from your pals at

why guerrilla tech p2 - upside down.

page two of why
linux. face up.

what's linux?

isn't linux all text
and stuff?

aren't there like a
thousand
different kinds of
linux?

p3 of why linux. face up.

so what makes linux so
damn much better
anyway?

why guerrilla tech p1 - cover

it's upside down! clever, huh?
